CITY OF EVERGLADES CITY REBUILD FLORIDA GENERAL INFRASTRUCTURE PROGRAM GRANT APPLICATION

WASTEWATER TREATMENT PLANT PROJECT

The City of Everglades City intends to apply for funding assistance from the Rebuild Florida General Infrastructure Program as a part of the Florida Department of Economic Opportunity (DEO) Community Development Block Grant – Mitigation (CDBG-MIT) program for the City's Wastewater System Improvements Project. The project will include construction of a 0.175 MGD Advanced Wastewater Treatment (AWT) Treatment Facility. The proposed plant consists of a Four-Stage Bardenpho process.

The estimated cost to complete the Wastewater Treatment Plant Project is \$4,340,160. It is the City's intent to request these funds from the CDBG-MIT grant program.

Interested parties may obtain a draft of the proposed CDBG-MIT application or provide comments regarding this project by emailing Dottie Joiner, City Clerk at dsmallwood@cityofeverglades.org. All comments must be received by close of business on Friday, September 11, 2020.
