City of Everglades City has been awarded a grant from the State of Florida, Department of Emergency Management to fund a new Emergency Operations Center and Fire Station.

The project will allow for the design and construction of an Emergency Operation Center/Fire Station to serve as a place for first responders from the Greater Naples Fire District, the Collier County Sheriff, the Collier County EMS, and other local government personnel from Collier County and Everglades City to run an emergency operations center during natural disasters and emergencies that pose a threat to the health, safety and welfare to the surrounding area. Additionally, this center will allow for first responders to be safely housed before, during and after a hurricane impacts the area.
